STAT

Dear

I wish to express to you my sincere appreciation for personally welcoming members of my staff and for showing them through the production and testing facilities of STAT . My men have reported that their time was STAT most profitably utilized in viewing the internal and external configuration of the facilities and that the many lucid explanations were most helpful.

Especial thanks should be given to for his assistance STAT in guiding the men through the plant and testing areas.

Thank you again for your most generous personal cooperation.

Sincerely,

Arthur C. Lundahl
Director
